no

If yes, description of particular conditions

III.2) CONDITIONS FOR PARTICIPATION

III.2.1) Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if requirements are met:

This procurement procedure shall be open on equal terms to economic operators that are nationals of a member of Fusion for Energy or are established in the territory of a member of Fusion for Energy (i.e. Member States of the European Union and Switzerland).

(a) Full name of the entity, legal status, VAT status and registration number, address, telephone and fax numbers, the name of the contact person responsible for the tender as well as the name of the legal representative of the entity.

The information to be provided under letter (a) shall be accompanied with a transcript or a certificate, issued by the competent body - namely the commercial register - in the country of provenance or the country of the main office of the candidate.

Non-commercial undertakings may provide a copy of their act of incorporation, if, under the law of their country of provenance or the country of their main office, they are not subject to public registry.

Non-commercial physical persons must provide a copy of their passport or other equivalent identification document.

b) To be eligible for participation in this contract award procedure, tenderers must not be in any of the exclusion situations referred to in Articles 83 and 84 of Financial Regulation of Fusion for Energy adopted by the Decision of the Governing Board of 22 October 2007 as last amended on 18 December 2007.

In particular, tenderers shall be excluded from participation in a procurement procedure if:

i) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;

ii) they have been convicted of an offence concerning their professional conduct by a judgement which has the force of res judicata;

iii) they have been guilty of grave professional misconduct proven by any means which the Joint Undertaking can justify;

iv) they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the Joint Undertaking or those of the country where the contract is to be performed;

v) they have been the subject of a judgement which has the force of *res judicata* for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the Joint Undertaking's or the Communities financial interests;

vi) they are currently subject to an administrative penalty imposed by the Community institutions as referred to in the Financial Regulation applicable to the budget of the European communities.

Moreover, tenderer shall be excluded from the award of the contract if during the present procurement procedure:

(vii) they are subject to a conflict of interest;

viii) they are guilty of misrepresentation in supplying the information required by the Joint Undertaking as a condition of participation in the contract procedure or fail to supply this information.

For each of these points (from (i) to (viii)), candidates shall submit a declaration on honour duly signed and dated by its legal representative attesting that they are not in any of such situation (Declaration on honour with respect to the exclusion criteria).

The tenderer to whom the contract is to be awarded, shall provide, within a time limit defined by the contracting authority and preceding the signature of the contract, the relevant documentary evidence, as detailed in the tender document.

III.2.2) Economic and financial capacity

Information and formalities necessary for evaluating if requirements are met:

(a) a statement of the candidate's overall turnover for the last 3 previous financial years.

(b) A list of the principal services that the candidate has effected over the past 5 years, having a similar function to the services defined in the above § II.2.1, the sums, dates and recipients, public or private, involved.

Minimum level(s) of standards possibly required
(if applicable):

The yearly overall turnover average, over the period of 3 years, shall be higher than EUR 3 000 000. In case of consortia, this number has to be intended as being the average overall turnover consolidated by the members constituting the consortium.

III.2.3) Technical capacity

Information and formalities necessary for evaluating if requirements are met:

a) Evidence of proven experience on high heat flux thermal fatigue and critical heat flux testing of plasma facing components of fusion reactors, including testing preparation and elaboration of results.

b) Evidence of the availability of an electron beam high heat flux facility equipped with infrared thermography and pyrometry for thermal fatigue testing up to 20 MW/m² of the mocks up mentioned in Section II.2.1 and prototypes actively cooled by pressurized water.

Minimum level(s) of standards possibly required
(if applicable):

High heat flux testing of divertor components
